5-star ski holiday in Serfaus-Fiss-Ladis

Ski-in, ski-out. Tuck in, chill out. Ski and spa for all the family

Sparkling snow crunches under skis and snowshoes. The mountain peaks glisten in the sunlight, the saltwater Jacuzzi caresses body and soul. On Austria's sunniest plateau, Serfaus-Fiss-Ladis, the 5-star Schlosshotel Fiss invites guests to the definitive wellbeing and ski experience.

In one of the finest locations in all Tyrol, the Domenig family has been providing inimitable hospitality – a blend of elegance, tranquillity and wellbeing – for more than a quarter of a century. The Schlosshotel comprises 135 spacious, individually designed rooms and suites: a unique private hideaway.

'Everything here revolves around indulgence and experience. From your room to the spa, the cuisine to our in-house ski instructor, we fulfil every desire and put the needs of every guest – right down to the youngest – at the centre.'

Hostess Simone Domenig

Pure relaxation.

The 5-star hotel's spa is a 5,000sqm oasis of tranquillity, high among the summits of the Austrian Tyrol. Enjoy the sublime Alpine landscape while swimming in the Schloss Spa's 250sqm indoor-outdoor pool in the Aqua Monte Waterworld, or from the comfort of a Jacuzzi lounge in the crisp mountain air. The spa's signature treatments are the perfect way to recuperate from a long day of skiing, using Alpine healing methods and local herbs that are absorbed by the skin.

Families. Spa & splash.

While mum and dad relax in the spa, dreams come true for little swimmers and budding pirates in the Splash Waterworld with its own pool, a double-loop tube slide, rocking bay and more. Little ones can be pampered too, with massages, chocolate scrubs, a children's steam room, special sauna 'Aufguss' sessions and treatments in the exclusive Family Spa (a textile zone). Younger guests who prefer to stay on dry land will feel at home in the Kids' Club. The action happens from 8.30am to 9.30pm, ending with a fun Movie Night in the kids' cinema.

Eat up. Satisfaction guaranteed.

Head chef Christoph Geschwendtner's creations thrill every palate. He is an exponent of the slow food philosophy, implementing it in exquisite detail at the highest level. The 5-star family hotel also offers treats specially designed for the younger appetite: a colourful and energising breakfast, an afternoon buffet for hungry racers, freshly made baby food, and family dinners with a buffet for young gourmets.

Schlosshotel winter experience

After a cosy night's sleep and a relaxed breakfast at Fiss' exclusive ski-in, ski-out hotel, step out of the lift into the thick of the action in Tyrol's breathtaking Serfaus-Fiss-Ladis ski area.
